

News Release (6409 TSE 1)

September 4, 2017

Company	KITO CORPORATION
President and CEO	Yoshio Kito
Identification Code	6409 (TSE 1)

Shanghai Kito to Exhibit at Inpom2017

Industrial hoist and crane maker Kito Corporation (head office: Nakakoma-gun, Yamanashi Prefecture; president: Yoshio Kito) announces that Shanghai Kito, its Chinese subsidiary, will exhibit in the fourth annual International Nuclear Plant Operation and Maintenance Conference (Inpom2017) in Shanghai September 14-15 (Thursday-Friday). Featuring blast-resistant products, the company will suggest safe and optimal solutions for production floors where volatile gases and steam are present. During the conference it will also offer a talk on manual hoists, touching on how to operate them, their safety and application examples.

Exhibit Outline

Show name: Fourth International Nuclear Plant Operation and Maintenance Conference (Inpom2017) www.shhdb.gov.cn/tpxw/1659243.htm
Dates: September 14-15 (Thurs-Fri), two days
Hours: 8:30-18:00
Venue: Shanghai Marriott Hotel Hongqiao (2270 Hongqiao Rd., Changning Qu, Shanghai)
Kito/Dazhan exhibit: Booth 5

The International Nuclear Plant Operation and Maintenance Conference is an annual trade show specializing in the nuclear energy industry. Organizers of the coming fourth conference are projecting over 1,200 visitors from about 150 companies in 20 countries.

Main exhibits

- Manual chain hoist CB and CX
- Lever hoists L5 and LX, etc.

As applied technology products, no-load high-speed models and blast-resistant models will also be shown. Drop by at the Shanghai Kito exhibit.

Kito Profile

Since its founding in 1932, Kito has been a leading maker of materials-handling equipment, supplying safe, high-quality products and detailed services to customers in a wide variety of industries. From core products like chain hoists, lever hoists, wire-rope hoists and cranes, to chain, slings, hooks and other peripherals, Kito products are employed and prized by customers in over 50 nations.
