Kito Donates for Nepal Earthquake Relief

Tokyo, May 25, 2015. Industrial hoist and crane maker Kito Corporation wishes to express our heartfelt condolences to the people of Nepal affected by the recent earthquakes there.

Kito has donated 2 million yen through the Sannichi YBS Public Welfare Organization to assist with relief and reconstruction efforts in Nepal by the Japanese Red Cross and International Red Cross. An employee initiative is also raising funds for the same purpose.

From the bottom of our hearts we hope that the communities damaged by the earthquakes will recover as quickly as possible.
