Main Exhibits

Electric chain hoists ER2 and ED series
Manual chain hoist CX series and Lever hoist LX series
Kito Lifting Point, etc.

The Taipei International Logistics & IoT Exhibition is a trade show specializing in logistics systems. The previous event, in 2017, attracted 127 corporate exhibitors and over 87,000 visitors. Kito Taiwan plans to show its core hoists, allowing visitors to operate the actual products.

Corporate Profile

Since its founding in 1932, Kito has been a leading maker of materials-handling equipment, supplying safe, high-quality products and detailed services to customers in a wide variety of industries. Kito products are employed and prized by customers in over 50 nations. Subsidiary Kito Taiwan has been focusing on hoist component sales and crane operations since its founding in 2012.
