IMTS is the largest industrial trade show for machine tools in the Americas. As a venue for manufacturers to exchange the latest information on cutting-edge technologies, in the last show of 2016 it attracts 2,407 firms, the highest number of exhibiting companies and 115,612 industry-related visitors from 117 nations. Harrington plans to exhibit a wide variety of products, including manual, electric and air hoists. It delivers to customers the highest value, with products and solutions to meet every need. Be sure to visit the exhibit!

#### **Main products on exhibit**

- Manual chain hoists LB, LX, CB, CF, CX
- Electric chain hoists SEQ, EQ, ED-V, ED-DA, NER2
- Air chain hoist TCR, TCS, AH-Manipulator
- Jib crane and below the hook devices

#### **Kito and Harrington profile**

Since its founding in 1932, Kito has been a leading manufacturer of material-handling equipment, supplying safe, high-quality products and detailed services to customers in a wide variety of industries. From core products like chain hoists, lever hoists, wire rope hoists and cranes, to below-the-hook devices like chain slings, hooks and other peripherals, Kito products are employed and prized by customers in over 50 nations.

Harrington as Kito's U.S. subsidiary, speedily delivers safe, high-quality products and detailed services through its sales channels and service networks in the U.S., Mexico and South America.
