Kito and Kito Europe profile

Since its founding in 1932, Kito has been a leading manufacturer of material-handling equipment, supplying safe, high-quality products and detailed services to customers in a wide variety of industries. From core products like chain hoists, lever hoists, wire rope hoists and cranes, to below-the-hook devices like chain slings, hooks and other peripherals, Kito products are employed and prized by customers in over 50 nations.

Kito Europe was established in 2006 in Düsseldorf as Kito's European sales arm, delivering the trusted qualities of the Kito brand to the European region.
