Subcontracting Trade Fair is Finland’s leading trade fair where latest products and equipment as well as semi-finished products, finished components for manufacturing industry will be showcased. Every year approximately 20,000 industry professionals participate in this event. ERIKKILA plans to exhibit PROSYSTEM light crane system which is light, easily operable for better productivity in every workplace. Be sure to visit our booth!

#### **Main products on exhibit**

- PROSYSTEM light crane system with freestanding support frames
- PROSYSTEM aluminum light crane, raised construction
- PROSYSTEM aluminum telescopic light crane

#### **Kito and ERIKKILA profile**

Since its founding in 1932, Kito has been a leading manufacturer of material-handling equipment, supplying safe, high-quality products and detailed services to customers in a wide variety of industries. From core products like chain hoists, lever hoists, wire rope hoists and cranes, to below-the-hook devices like chain slings, hooks and other peripherals, Kito products are employed and prized by customers in over 50 nations.

ERIKKILA joined Kito group this year, 2018, produces and provides industry-use light cranes through an extensive distributor sales network across Europe.
