Offshore Korea is Korea’s largest tradeshaw specializing in the offshore industry sponsored by Korean top three shipbuilders. As a venue for professionals to exchange their latest information on cutting-edge technologies, in the previous show in 2016 it attracts nearly 18,000 visitors and 421 companies from 31 nations. Kito Korea plans to exhibit a wide variety of products, including manual and electric chain hoists, as well as to give solutions to our customers of the offshore business. Be sure to visit the exhibit.

Main products on exhibit

- Electric chain hoists ER2, EQ, ED
- Manual chain hoists CB, CX
- Lever hoist LB, LX
- Sling products, lifting Point, etc.

Kito and Kito Korea profile

Since its founding in 1932, Kito has been a leading manufacturer of material-handling equipment, supplying safe, high-quality products and detailed services to customers in a wide variety of industries. From core products like chain hoists, lever hoists, wire rope hoists and cranes, to below-the-hook devices like chain slings, hooks and other peripherals, Kito products are employed and prized by customers in over 50 nations.

Kito Korea has been focusing on crane manufacturing and sales since its founding in 2008.
