Live Design International (LDI) is one of the largest trade shows in the Americas focused on technology for the live event industry. Every year the show attracts over 14,000 attendees and more than 350 companies participate, providing live demos and opportunities for face-to-face discussion about their cutting-edge technology. Harrington and Peerless plan to exhibit a wide variety of hoist and chain products designed for the entertainment industry. Be sure to visit our booth!

Main products on exhibit

- TNER theatrical hoists
- LX, CX, CF manual chain hoists
- PT manual trolley, beam clamps
- TRAC chain, studio chain, theatrical rigging chain, etc.

Company profiles: Harrington and Peerless

Harrington Hoists, Inc. is a market leader and innovator in the hoist and crane industry.
