<https://www.metal-expo.ru/en>  
Days : November 13(Tue) - 16 (Fri), 4 days  
Venue : Hall 75, VDNkHa Fairground, Moscow, Russia  
Exhibit : 2G42

Metal-Expo is a business platform for every industry professional of steel and steel related-industries in and outside Russia to come exchange the latest information and state of art technologies as well as to establish business contacts and discuss new projects. This year, more than 500 companies from 35 countries and over 30,000 professionals from a wide range of industries like construction, transportation and logistics, and steel trading are expected to exhibit at the trade show. Kito Europe plans to exhibit our main line products, including manual and electric chain hoists. Be sure to visit our booth!

#### **Main products on exhibit**

- Lever hoist LB (standard), LB with ship yard hooks and LX;
- Manual chain hoists CB, CX and CF;
- Electric chain hoists ER2, EQ and ED;
- TK beam clamps and TSP plain trolley

#### **Kito and Kito Europe profile**

Since its founding in 1932, Kito has been a leading manufacturer of material-handling equipment, supplying safe, high-quality products and detailed services to customers in a wide variety of industries. From core products like chain hoists, lever hoists, wire rope hoists and cranes, to below-the-hook devices like chain slings, hooks and other peripherals, Kito products are employed and prized by customers in over 50 nations.

Kito Europe was established in 2006 in Düsseldorf as Kito's European sales arm, delivering the trusted qualities of the Kito brand to the European region.
