Chinaplas is the Asian largest plastics and rubber fair and this year 2019, over 180,000 visitors and 3,500 companies from 40 countries all over the world will attend the show. Our core products includes manual chain hoists, lever hoists, electric chain hoists and aluminum crane will be displayed at Shanghai Kito's booth, available for any visitor to come and try operating. As well, we are pleased to introduce our new product – safety belt for the first time at a tradeshow. During the exhibition, our sales team will explain and provide you with excellent brand experiences and solutions. Come visit our booth!!

Products on exhibit

- Manual chain hoists CB, CX;
- Lever hoist LB and LX;
- Electric chain hoists ER2, EQ;
- PRO Light Crane System;
- Safety belt, lifting point etc.

Kito & Shanghai Kito corporate profile

Since its founding in 1932, Kito has been a leading manufacturer of material-handling equipment, supplying safe, high-quality products and detailed services to customers in a wide variety of industries. From core products like chain hoists, lever hoists, wire rope hoists and cranes, to below-the-hook devices like chain slings, hooks and other peripherals, Kito products are employed and prized by customers in over 50 nations. Our Shanghai Kito has been focusing on hoist component sales since its founding in 2004.
