Subcontracting Trade Fair is the largest industrial event in the Nordic countries where latest products and equipment for manufacturing industry will be showcased. Every year approximately 20,000 industry professionals participate in this event. This year ERIKKILA plans to exhibit PROSYSTEM light crane system which is lightweight and easily operable for better productivity in every workplace. As well, we will have Niparmi sisälogistiikka (<https://www.niparmi.fi>), a distributor of our ERIKKILA team join us as a co-exhibitor at the same booth. If you have a chance, be sure to come visit us!

Main products on exhibit

- PROSYSTEM light crane system with freestanding support frames
- PROSYSTEM aluminum light crane, raised construction
- KITO EQ Electric chain hoist 1 ton with motor trolley

Kito and ERIKKILA profile

Since its founding in 1932, Kito has been a leading manufacturer of material-handling equipment, supplying safe, high-quality products and detailed services to customers in a wide variety of industries.

ERIKKILA(www.erikkila.com/) joined Kito group in 2018, produces and provides industry-use light cranes through an extensive distributor sales network across Europe.
