Harrington Hoists to Join the IMTS SPARK 2020

Manheim, PA, September 30, 2020 - Harrington Hoists, Inc., a U.S. subsidiary of industrial hoists and cranes manufacturer KITO CORPORATION (Head office: Yamanashi Prefecture; President: Yoshio Kito), is joining the virtual trade-show IMTS SPARK for six month period until March 15, 2021.

Outline of the Exhibition

- Tradeshow title: International Manufacturing Technology Show Spark (IMTS SPARK)
- Harrington address: https://directory.imts.com/8_0/exhibitor/00004815/Harrington-Hoists-Inc

IMTS SPARK is the digital platform launched this year for manufacturing technologists around the globe, instead of the face-to-face trade show IMTS. Harrington is now available at IMTS SPARK and this allows the concerned participants to visit and check out Harrington's products and contact with the team when necessary.

Kito and Harrington profile

Since its founding in 1932, Kito has been a leading manufacturer of material-handling equipment, supplying safe, high-quality products and detailed services to customers in a wide variety of industries. From core products like chain hoists, lever hoists, wire rope hoists and cranes, to below-the-hook devices like chain slings, hooks and other peripherals, Kito products are employed and prized by customers in over 50 nations.

Harrington Hoist, Inc. as Kito's U.S. subsidiary, speedily delivers safe, high-quality products and detailed services through its sales channels and service networks in the U.S., Mexico and South America.
