Klundert, August 25, 2022 – Van Leusden, a subsidiary of industrial hoist and crane maker Kito Corporation (head office: Yamanashi, Japan; president: Yoshio Kito) in the Netherlands will exhibit at "ONS 2022" in Stavanger, Norway, on August 29 to September 1.

*Show name* : ONS 2022  
<https://www.ons.no/>  
*Days* : August 29 to September 1 (Mon.-Thu.) 4 days  
*Venue* : Stavanger Forum, Gunnar Warebergs gate 13, Stavanger, Norway  
*Exhibit booth* : 440 outside Hal 7

ONS 2022 is a leading offshore and oil - gas industry exhibition in Europe. It is a platform, where established market leaders and promising newcomers will meet each other and where new developments will be presented. Van Leusden will show their complete product range, consisting of manually, electrically and pneumatically driven hoisting solutions and show their added value in offering engineered and tailor-made lifting solutions for offshore applications.

#### **Kito & Van Leusden corporate profile**

Since its founding in 1932, Kito has been a leading manufacturer of material-handling equipment, supplying safe, high-quality products and detailed services to customers in a wide variety of industries.

Van Leusden (<https://vanleusden.com/>) joined KITO group in April, 2019, and developed and manufactured customized hoisting solution such as explosion protected and corrosion protected of hoists, trolleys, cranes and crane components for maritime and other offshore use.
