Corporate Profile

Since its founding in 1932, Kito has been a leading maker of materials-handling equipment, supplying safe, high-quality products and detailed services to customers in a wide variety of industries. From core products like chain hoists, lever hoists, wire-rope hoists and cranes, to chain, slings, hooks and other peripherals, Kito products are employed and prized by customers in over 50 nations. Shanghai Kito has been focusing on hoist component sales since its founding in 2004.
